because it's a difficult tax that no one comes out well on. Instead we should be taxing the source of that money, which is income and sales.

PRESIDENT MAURSTAD: One minute.

SENATOR TYSON: But that's neither here, nor there. I urge all of you to vote to support the motion to suspend the rules. I urge everyone to vote for LB 149 and, if and when the Governor vetoes it, to override the veto, because it's a lunchbox issue. In this case it's a Band-Aid issue. And we will be doing this again, probably not until later on in this session or maybe next year, but it will be back, it always has in the past and it always will be in the future. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Tyson. Senator Landis.

SENATOR LANDIS: Question.

PRESIDENT MAURSTAD: The question has been called. Do I see five hands? I see five hands. The question before us is to cease debate. Those in favor vote aye, those opposed nay. Please record.

CLERK: 32 ayes, 0 nays to cease debate.

PRESIDENT MAURSTAD: Debate is ceased. To close on the motion to suspend the rules, Senator Bohlke.

SENATOR BOHLKE: Yes, Mr. President and members, I do not plan to go very far afield, but to stay, as I have said, trying to focus on 149, what it does and what it doesn't do. We've had a good deal of debate and we've had...some of that has been on tax policy. I've said that it's very difficult to discuss state aid to education and not discuss property taxes. It...they seem to be joined together. But I think it is important to stay focused on, and I think people have reminded you, the necessity to suspend the rules and to pass LB 149 with the emergency clause. I would, in the future, when we reach (LB) 314, there was a statement that seemed to indicate that that included errors that we made. What we were talking about on (LB) 314 were errors that were made by assessors, not errors done internally here.
